### **Wolseley Canada Wins Outstanding Growth Award from Goodman**

HOUSTON – Wolseley Canada has been honored with a *2016 Goodman Outstanding Growth Award* from Goodman® Manufacturing.

Serving heating, ventilation and air conditioning (HVAC) dealers throughout Canada, Wolseley projected a remarkable 60 percent increase in sales for 2016, on the heels of a preceding year that reaped a 22 percent rise.

The annual award recognizes not only sales growth, but also a dedication to customer service, product knowledge, and product availability, explained Lawrence M. Blackburn, executive vice president and president, Goodman Business Unit.

“Wolseley’s concentrated efforts across Canada, with coverage coast to coast – along with a great sales and operations team – continue to capture market share,” Blackburn said. “As they expand their HVAC offering to their existing locations, they will continue to keep the momentum with Goodman brand going in the years to follow. The award to our Canadian partner is well deserved.”

Wolseley Canada was given the *2016 Goodman Canada Division Outstanding Growth Award* during an annual Goodman Business Unit principals meeting held in Houston.
